

ELECTRA

Kimmiels,

Where do I begin? There've been so many good times that we have shared. To my friend who I can't live without, what will we do whenever we go on separate ways for school? Bell telephone will love us. Between that and postage, we'll never have money for shopping. (wrong) I'll always find money to shop!! when I'm 18, I'll definitely apply for a charge card!! when in doubt, charge!! All our trips to the mall with Helen will never be forgotten. And now about good old Marshall's. Kim's first trip and the electricity goes off. Nothing like getting a \$4.00 shirt for only 2.00 or nail stones that are as big as golf balls. Could you imagine if one of us would've been driving? But that's another story!! We'll probably be 65 and collecting Social Security before we have our license. We'll have to have a chauffeur because we'll have a disease! Just kidding, we'll drive soon! I hope!!! We definitely have to drive before "good old root women". She still hasn't heard my side of the story. Oh, I can't wait!! I'm glad that she never has had a chance to break up our friendship like she did to Sherri + I. Remember when we all became friends? In 10th grade, Mr. Sinclair's room is when I think it all started. Well, Sherri + I were friends, but now it's you + I babe. This summer had to be the best yet. (well one of the best) June was sort of slow, I can't really think of too much excitement during that month, can you? But then came the carnival, I think I had some good times. Didn't you? All except for the night that my brother stayed. Thanks for helping to make me feel better. And the "root-woman" strikes again, Kim gets grounded because old sleaze tries to pick up scruffy carnival bums!! She'd take anything that she could pick up!! I think the best thing that happened to us was to get rid of her as a friend. And by the way, you'll never be a pest to me!! She's an idiot!! I wish that I could've been there when you told her off!! Stacy sure went off with a bang. That was a night I'm sure she (or any of us) will never forget it. And then came Geoff + Eric! Should I not mention him? I'll never forget the first day Geoff came over! "Oh my God Kim, he's here!" You were going to go upstairs!! Thanks for staying, I was

So nervous!! now look at us! You were there through a first fight
and everything. Thanks for listening while I cried over him + Anne.
Who could forget "The Boss" I guess I had a good time. The highlight
was his gorgeous behind!! Oh, baby!! Madonna was a whole different
story!! Oh, heaven. I loved every second of it. Didn't we know "Dress You
Up" would be a hit? We are definitely two Madonna fans. Then there
was good ol' Trig. I definitely loved that class. I know you at least
enjoyed the scenery!! (Gregorio) And bumf---ing. No one in
the history of 5th period will forget that. I'm still embarrassed. Thanks
by the way, for making me the "Days" fan that I have now become!
I love Shane!! And of course you love Pete!! I almost forgot a
chat with the pizza guy. He was interesting to say the least.
And so began our nicknames - Budweiser (he, he) and Milton Bradley!!
He definitely turned out to be a turd (did I spell it right)
And oh, let's back track, to April 22 to be exact!! Great
all girl sleepover!! (Cough, cough said Kim) Never guess now
that it all began in April. Nice box and nickel you gave me for
my b'day!! How about those →

Just call me Betty Crocker!!!

Forget our strolls to the

and an exceptional friend. I don't know how I could exist if
we ever fight. (which we haven't) Thanks for everything I'll
always be here for you. There's so much more I could write, but
I'll stop by saying you're the greatest. And I love you (clearly not
overly) Thanks again.

Kim,

A great friend who's very wild and lots of fun to be with. Remember the times we've had together, It's all, listening to Barry Manilow records (when he was popular) or eating Breakfast at your house on school mornings. Now we have the great pleasure of working at "Cheswick Theaters"!! Never ever forget my weirdness and unusual habits I do. Eating forever, re-filling napkins and straws. And you, picking on "STIFFY" - (Jim S.), turning John on, and

especially - making Mike squirm - because you tell him like it is. Never lose your great words to the wise - "You will do it, and you will like it!!"
Friends Always and Good Luck with G.A.A. - vice Pres.

Love, Karen Sclarunio
Remember when you had to tell Dan he was Superior and fearless before we

could get in the car, and by the time we finally got in the car

we walked almost all the way home.

You could never tell from that picture of him, he was so bad.

Kim,

To a very nice person I've known for a few years. Kim, do me a favor, lose some weight, you look like a fat slob. Just kidding. This year G.A.A. will be fun because we have people in office that actually know what they are doing. Good luck in everything you do and may God Bless. Love, O Share

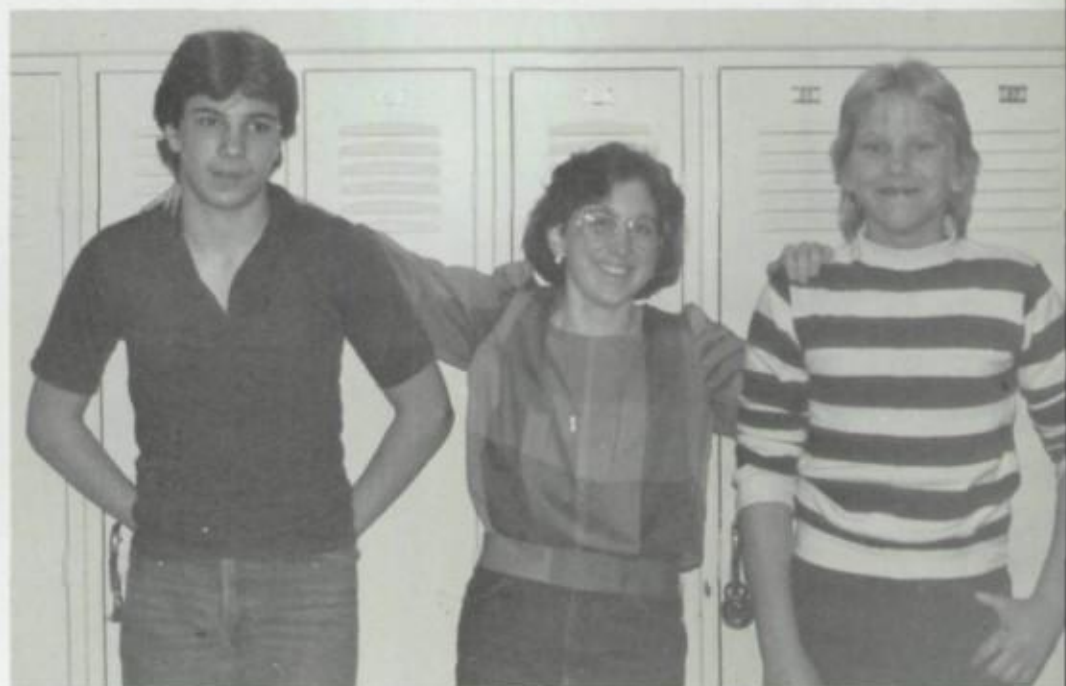

Kim, (Keeeeeem!)
To a really nice friend I've had for about 5 years, since you moved to Cheswick (even though you don't live there anymore) I don't like to think of the way we became friends (through Skentchyak) but I'm glad that we are. Remember how we used to play "chasers" in the woods? Nice

DR. RONALD WASILAK - PRINCIPAL

DR. CONSTANCE CRAVEN - ASSISTANT PRINCIPAL

Everyone has worked their hardest to make it a good year; Dr. Wasilak and Dr. Craven are no exception. Along with their multiple duties in administration, they also take part in many social activities. Through the year we have seen them take an active part in school, and out. Both are truly involved with the students; visible at events and lending a hand to organizations. It is this type of dedication that makes our school special.

The Band, Cheerleaders, Colorguard, Majorettes and the Fans led the enthusiasm for another winning season. The Soccer team showed their skill by once again advancing to the playoffs; a strong Volleyball team took their section title for the first time in the history of Springdale volleyball; and the Football team broke the losing streak with a victory over Leechburg. The fall season was in traditional Springdale fashion - ONE TO BE PROUD OF!

The hard work and time put into the basketball program showed through with the varsity team closing the season with a 26-2 record. The Dynamo boys captured the 15-AA section title and went on to become the number 2 team in the W.P.I.A.L. Springdale will find it hard to forget when ORANGE AND BLACK MANIAC FEVER brought at least 1,000 fans to the Pitt Field House to root for our DYNAMIC Dynamos. The team and coaches did an excellent job and brought pride to our school and community. Good Luck to the seniors who headed the team, and to the players of '86!

The Lady Dynamo girls basketball team ended the season with a record of 16-7. They defeated number one Class A ranked Shannock Valley on Senior Night. This exciting overtime game brought the girls the Section 15-A-AA title, finishing with a section record of 15-1. The girls advanced to the playoffs and met number 5 ranked Northgate. The Dynamo girls came out strong in a game that proved to be very evenly matched, but Northgate came out on top 51-43. The team will certainly miss senior members Tracie Andrews, Kelly Lewis, and Lisa Waynar, but the team and fans are looking forward to next year and another section title.

Homecoming 1985 was once again a special occasion at Springdale High School. The evening began with a salute to the senior members of the boys basketball team who led the Dynamos to the W.P.I.A.L. championships and state playoffs. Senior players included: Mickey Dreher, Ken Lloyd, Greg Martucci, and John Simcic. The senior cheerleaders who had shown so much spirit included: Julie Fitzgerald, Nancy Hutzler, Mary Lou Kladowski, and Monica Prasnikar. After the seniors were recognized, the mighty Dynamos began to play. Halftime came and with halftime the Homecoming festivities began. The Homecoming representatives in the Sophomore, Junior, and Senior classes were announced. These students were elected by the votes of their fellow classmates in their respective classes. After the representatives were introduced the audience was entertained as the Majorettes and the Colorguard took the floor and performed their rendition of "Neutron Dance." After the halftime festivities were completed the Dynamic Dynamos ended the night with a win against St. Joseph's.

Kim, (Sinner II)

To a really nice person I've known for a long time. Always remember the fun times we've had in the past. Especially playing tennis! Maybe gym class will help improve our game! But I doubt it - we stunk! Always remember the book we started and never finished!! It would have been good!! Our junior ^{year} was a pretty exciting year! I hope our Senior year is even more exciting! Especially since we're such good partiers!! Good luck in all you do. I hope you get everything out of life that you want - no husband - just a lot of lovers!! Hope your future is very rewarding! Best wishes!

Nine children participated in our preschool program this year. The program is intended to prepare the children so that Kindergarten will be a successful experience. From observing the children at play in the courtyard and in the classroom it is obvious that the Home Economics Department and the students involved have done an excellent job of providing school experiences for our future graduates.

EDITOR'S NOTE

Every year putting the Electra together is a challenge of ideas, deadlines and funding. This year was no exception. It is also difficult to look at a few pages at a time and imagine a book. But we have all done the best that we can and hope it is a good book. We apologize for any oversights.

I would like to thank Mrs. Anker; our photographers Mark, Carmen and Stremm Varden Studios; Drs. Wasilak and Craven; and any faculty member who has been inconvenienced by the interruptions; and a large thanks to the staff.

I sincerely hope that the 1986 Electra receives all of the support it needs and deserves.
Good Luck to the Staff of the Electra '86.
